

CURRICULUM VITAE

NAME: Karen Ainsworth Szauter, MD FACP

DATE: August 2006

PRESENT POSITION AND ADDRESS:

Current Position: Associate Professor
The University of Texas Medical Branch

[50%] Sept 1990 - present
Department of Internal Medicine
Division of Gastroenterology
Route 0764
Galveston, Texas 77555-0764
(409) 772-9013

[50%] (Effective Oct 2000- present)
Office of Educational Development
Medical Director, Standardized Patient Program
Route 0420
Galveston, Texas 77555-0420
(409) 772-6318

email: kszauter@utmb.edu

BIOGRAPHICAL:

Date and place of birth: April 23, 1957
Youngstown, Ohio

Citizenship: USA

home address: 3203 Spring Ridge Dr.
Manvel, Texas 77578
Home: (281) 489-8239
Cell: (832) 541-5634

Family: spouse: Michael Ainsworth, MD
1 daughter: Lindsay Marie Szauter (born 1989)

EDUCATION:Undergraduate: Bachelor of Arts (Psychology)

Aug 1975- May 1979 Case Western Reserve University
Cleveland, Ohio

Sept 1977-June1978 University of Edinburgh
Edinburgh, Scotland (Junior Year Abroad)

Graduate: Doctorate (Medicine)

Aug 1979-May 1983 Case Western Reserve University School of Medicine

Post Graduate Training

July 1983- June 1984	Internship (Internal Medicine) Baltimore City Hospital	Baltimore, Maryland
July 1984-June 1986	Residency (Internal Medicine) Francis Scott Key Medical Center (formerly, Baltimore City Hospital)	Baltimore, Maryland
July 1986- June 1989	Fellowship (Gastroenterology) Cleveland Metropolitan General	Cleveland, Ohio
July 1989-Aug 1989	Break between fellowships- child born	
Sept 1989- Aug 1990	Fellowship (Nutrition) St. Vincent Hospital & Health Center	Cleveland, Ohio

PROFESSIONAL WORK HISTORY AND TEACHING EXPERIENCE:Faculty Appointment:

Sept 2004 – present	Associate Professor	
Sept 1990 – Sept 2004	Assistant Professor The University of Texas Medical Branch, Department of Internal Medicine Division of Gastroenterology	Galveston, Texas
Oct 2000- present	Office of Educational Development Medical Director, Standardized Patient Program (joint appointment with IM 50% OED / 50% IM)	
Jan 1995- Oct 2000	Department of Internal Medicine Division of General Internal Medicine (joint appointment with GI 70% GIM / 30% GI)	

Academic Administrative Positions

2005- present	Internal Medicine Education Council (Chair)
1996-present	Faculty Manager: Internal Medicine Summer Preceptorship Program
1997-present	Faculty Sponsor: Alliance of Internal Medicine (AIM) student interest group in internal medicine

July 2002- present	Program Director : Fellowship in Gastroenterology
1992- 1998	Medical Co-Director, Nutrition Support Service
1995-1999	Director of Year Four Electives: Department of Internal Medicine
1995-2001	Year Four Elective Course Director: Acting Internship (1995-2001) Clinical Nutrition (1995-1997)
1995-1997	Associate Clerkship Director, IM
1997-2000	Clerkship Director, Internal Medicine
1998-1999	Co-Director, Gastroenterology/Nutrition Course Year II course, Integrated Medical Curriculum

RESEARCH ACTIVITIES:

Current area of research: Medical Education
 -Evaluation and assessment
 -Standardized patient use in medical education
 -Professionalism: development and evaluation

Extramural SupportCurrent:

Society of Directors of Research in Medical Education	2002 Review
“Review of the literature on Standardized Patients”	Award Amount: \$2,000.00

Association of Standardized Patient Educators (ASPE)	2003 Project Award.
“Use of Standardized Patient in Medical Education”	Award Amount \$1,500.00

Past:

GLAXO Inc.	“Compatibility of Zantac elixir and Suspension with Enteral Feedings” Grant Funding: \$13,783.00
------------	---

COMMITTEE RESPONSIBILITIES:National/State

Texas Academy of Internal Medicine	
2002- 2004	Board of Directors
2003-present	Student Committee (Co-chair)
2000-2003	General Internal Medicine Statewide Preceptorship Program Advisory Board
2002-2003	Medical Students and Associates Committee

Association of Standardized Patient Educators (ASPE)	
2002-present	Grants and Research Committee

National Board of Medical Examiners	
1998-2001	Step I: Introduction to Clinical Diagnosis Task Force
2003	Clinical Skills Exam: Interdisciplinary Review Committee
2003	Clinical Skills Exam: Test Material Development Committee
2005	Post Licensure Assessment: review

Clerkship Directors in Internal Medicine

1999-2000 National Meeting Planning Committee
 1998-2000 Evaluation and Research Committee

UTMB Committees:

1993-present Honor Education Council: Faculty Advisor
 1996-present ICEE (Integrated Curriculum Evaluation Exercise) Committee
 1998-present Curriculum Evaluation Committee
 2003- present Curriculum Research Committee
 (Co-Chair beginning 2005)
 2002-present Professionalism Charter Committee
 2004- present Scholars in Education Advisory Committee
 2005- present Professionalism Board
 2005 – present Academic Progress Committee
 2006 - present LCME Task Force : Educational Objectives
 (task force chair)
 2004 – 2005 Integrative Assessment Committee
 2004 – 2005 MSRDP Board
 1997-2003 Multidisciplinary Ambulatory Clerkship
 Committee Representative: Internal Medicine
 2001 Year 3-4 Curriculum Evaluation: Task Force on Assessment
 1999-2000 Evaluation of Professionalism Task Force (Committee Chair)
 1999-2004 GI/ Nutrition Course Committee
 1997-2000 Clinical Course Directors (Medical School Standard Track)
 1997-2000 Grading and Promotions: Committee C
 1997-1999 Course Design Committee: New Curriculum :Gastroenterology/Nutrition
 1997 LCME: Student Achievement: Due Process Subcommittee
 1997-1998 Palliative Care Education Group
 1995-2000 Clinical Course Directors Interactive Learning Track
 1994-1996 Central Venous Catheter CPI Committee (Team Leader)
 1993-1994 Infection Control Committee

Departmental

2005- 2006 Post-Retreat Task Force
 development of faculty mentoring system
 2004-2005 Education Task Force: preparation for IM retreat

1995-2000 Member – 2004 Chair 2005
Internal Medicine OSCE Committee(Chair beginning 8/97)

1994-2000 Internal Med Student Education Committee (Chair beginning 8/97)

UTMB Graduate School of Biomedical Sciences

2003-2005 Chair, Thesis Committee
Richard Warneke
Candidate for Masters of Clinical Sciences

2006- present member; thesis committee
David Kozishek
Candidate for Doctor of Philosophy Degree

TEACHING RESPONSIBILITIES AT UTMB:

School of Medicine

Lectures given (Preclinical curriculum)

Year 1

Recommended Dietary Allowances (RDAs): Application in Health and Disease
Eating Disorders IPE lecture: Behavioral Science
The Past Medical History and Review of Systems

Year 2

Diet analysis and dietary change, behavior modification
Gastrointestinal Drugs pharmacology course
Malnutrition in the Hospitalized Patient
Maternal and infant nutrition: seminar class
Eating Disorders ICM lecture
Drugs in Obesity” Pharmacology Course
Your Patient’s Diet: What do you Order?
Drugs for Bowel disorders
The history and physical exam of the abdomen
Obesity
The Spectrum of Eating Disorders
Patients with Chronic Gastrointestinal Disorders
Enteral and Parenteral Nutrition

Fellow, Resident and Clinical Student Lectures

Nutrition in Clinical Practice
Parenteral Nutrition
Nutrition and Obesity
Liver Disease
MKSAP Review GI bleeding/nutrition
Eating Disorders
Writing the History and Physical Exam
Approach to the patient with diarrhea

Clinical Ethics/ Professionalism Course: Department of Internal Medicine

Seminar class as part of the third year student medical clerkship, 1992-1995
Course Cofacilitator as needed, 1996 - 2000
Review of written assignments: 1998 - 2002

Introduction to Clinical Medicine (ICM)

2nd year student course 1990-1991, 1994-1995, 1998-1999

Introduction to the Physical Exam (IPE)

1st year student course 1993- 1998

Community Continuity Experience (CCE)
1st year student course, 1994- 1998

Spirituality and Clinical Care
Small group facilitator IMC – year I 1999, 2001, 2002

Integrated Curriculum Evaluation Exercise
4th year student evaluation 1995 - 2002

Integrated Medical Curriculum (IMC)
Practice of Medicine: physical diagnosis instructor (two groups) 1998: Module 1
small group facilitator 1999 : Module 5
Practice of Medicine I: (new format) Small group facilitator 2000-2003
Practice of Medicine II: Small group facilitator: 2003- present

Interactive Learning Track (ILT)
Tutor - 1995-1996, 1996-1997, 1998-1999
Clinical Course Director: Internal Medicine 1995 - 2000
Resource Faculty - Gastroenterology/Nutrition 1995- 2001
Instructor - Physical Exam Correlate 1995- 1997
PCA faculty 1995- 2000

Clinical Precepting
Internal Medicine Housestaff Clinic 1995-2000
Gastroenterology Fellowship training
Program - ambulatory clinic/ endoscopy 1990-present

GSBS, SAHS and SON

Graduate School : Basic and Applied Nutrition
Enteral and Parenteral Nutrition

MEMBERSHIP IN SCIENTIFIC SOCIETIES

American College of Gastroenterology (ACG)
American College of Physicians (ACP)
American Gastroenterological Association
Association of Standardized Patient Educators
Society for Simulation in Healthcare

BOARD CERTIFICATION:

American Board of Internal Medicine - #108552
Internal Medicine - 1988
Gastroenterology - 1989

LICENSURE INFORMATION:

Ohio Medical Board - #35-05-3427
Texas State Board of Medical Examiners - H9163 (exp: 08/31/2007)

HONORS:

Undergraduate:
Alice Seagrave Award 1977
(outstanding female student: for foreign study)
Mortar Board 1978
Phi Beta Kappa 1979

Postdoctoral:

Fellows Scientific Contest	1989
Upjohn Award	1989
Peter Adams Award	1989
(outstanding research as a fellow)	
Teaching Excellence Award	1995
Department of Internal Medicine	
Gender Equity Award	1998
American Medical Women's Association	
Teaching Excellence Award	2000
Department of Internal Medicine	
Elected to Alpha Omega Alpha	2000
AAMC Humanism in Medicine Nominee	2000
Advancement to Fellowship in the	2001
American College of Physicians	
UTMB Faculty Education Retreat	2005
First Place Poster Recognition for Innovations in Education	
Southern Group on Educational Affairs	2006
MESA award for most outstanding presentation	
at the 2006 annual meeting	

EXTERNAL REVIEW RESPONSIBILITIES:Scientific Journals

Academic Medicine	2004- present
Annals of Internal Medicine	2003- present
Medical Education Online	2002 - present
Hospital Physician	1995 - present

National / Regional Meetings (abstract & workshop review)

Research in Medical Education (AAMC)	2005- present
National Board of Medical Examiners:	
Stemmler Fund Proposals	2004-2005 cycle
Association of Standardized Patient Educators	2004-present
Southern Group on Educational Affairs	2002-present
Generalists in Medical Education	2002- 2004
Texas Academy of Internal Medicine	2002-present
American College of Physicians (abstracts)	2000-present
Southern Society of General Internal Medicine	2000
Society of General Internal Medicine	2000
Project Mentor	2003
Southern Group on Educational Affairs	

ADDITIONAL INFORMATION:Personal Scholarly Activity:

Office of Educational Development: Medical Education Scholars Program:	1997-1999
Mentor: Ann Frye	
Co-investigator: Michael Callaway	
Project: Global scoring in year three standardized patient assessments as a predictor of performance on a senior level exit exam	

Additional Activities Relating to Students in the School of Medicine

Alliance in Internal Medicine Roundtable – 1994 - 1997
Interactive Lecture: "The GI Tract"
Alliance in Internal Medicine

Student Clinical Vignette Competition 1997 - present
 Annual event to select two student representatives for the state competition.
 I recruit students, assisted with selection of cases, assisted with case organization,
 computer formatting or prepared the technical aspects of the presentations

Student Clinical Vignettes Competition : faculty mentor (for content /discussion)
 Multiple students: 1997 - 2001

Mentoring:

Texas Society of Internal Medicine / Alliance of Internal Medicine
 Medical Student Summer Preceptorship Program 1994, 1995

Generalist Initiative Summer Research Program: 1995, 2 students in 1997

Pre-Matriculation – Summer research Program 1997, 1998

Research Students (Un-funded) (two students) 1996

Faculty Mentor: Resident’s Talk 2002
 “This will only hurt a little bit. Examining why doctors lie”

Clinical Advisor: Multiple students 1995-present

Research Fellow: Gastroenterology 2003-present
 Second year fellow project in simulation

Development of Teaching/ Evaluation Materials:

Principle Author for Standardized Patient Scripts:

IM (year 3) OCSE cases:

Ethics Case: refusal of treatment	Ethics: Informed Consent
Diabetic Ketoacidosis	Chest Pain: esophageal origin
Nephrology: Acute renal Failure	Diabetes: new onset: counseling
Chest Pain: pulmonary embolism	Abnormal Liver Function
Anemia: Chronic GI blood loss	

ICEE (year 4) cases:

Weight loss	Diabetes (adolescent)
Abdominal pain	Acute knee injury (adolescent)
Menopause	Altered Eating / eating problems (adolescent)
Alcoholism	Abnormal Liver Function
Knee pain (adult/ osteoarthritis)	Arrhythmia
Back Pain	Thrombocytopenia
Testicular Cancer	Melanoma
Transient Neurological Deficit	Erectile Dysfunction
Prostatitis	Amenorrhea
Employee physical	Behavioral issues (adolescent)
Weight management counseling	Birth control request (adolescent)

AIM scenario: Breast cancer / Breaking Bad News

Co-author for Skit: Professionalism and Role Modeling

“The Adventures of Professor Clouseau”

(Originally developed with a working group for presentation at the American Academy for the Physician and Patient.) Skit adapted and then presented at UTMB as part of an AIM student interest group (quarterly meeting) focused on professionalism

Teaching Modules:

Breaking Bad News (authored with Jennifer Mayben , SMS)

Miscellaneous Educational Activities:

Comprehensive review of the Standardized Patient Literature
Posted on the UTMB Standardized Patient Website (updated twice / year)
www.utmb.edu/oed/sp

Arthur Vining Davis Foundations Grant
Project to Produce Educational Products relating to Compassionate Care at the End of Life
DVD#1 [Completed] Breaking Bad News: An Interactive DVD for teaching
Script writer Jan-Sept 2004

DVD #2 completed June 2006 The Physician's Role on the Interdisciplinary Team
Script writer July 2005-April 2006

Scholars in Medical Education: UTMB Evening Sessions:
Simulation in Medicine March 2004, June 2006
Development of Evaluation Materials July 2004, May 2006
Abstract, Poster and Presentation Development Sept 2004
Review of Medical Education Manuscripts Nov 2004, July 2006
Introduction to Ethical Issues in Educational Research and Evaluation Feb 2006

Invited External Reviewer: University of Arkansas for Medical Sciences
Introduction to Clinical Medicine Course April 2004

Association of American Medical Colleges: Annual Meeting
Invited moderator: session on Professionalism. 2001 national meeting
Invited moderator: session on Clinical Skills 2003 national meeting

MPE Communications : Educational Video:
"Management of Obsessive-Compulsive Disorder in the Primary Care Setting"

KPRC-TV "Weekend Health Report"
"Diet in a Bottle"

Trained as a standardized patient
CATCHUM Project: breast cancer case
School of Allied Health: osteoarthritis
School of Nursing: Mother/ daughter scenario : bedwetting

UTMB: Educational Video: "Clinical Teaching Project" Vignettes

National & International Presentations:

American Society for Parenteral and Enteral Nutrition (ASPEN)
"Nutritional consequences of Chronic Alcohol Abuse"
presented during 1991 national meeting
The Clinical Nutrition Management Dietetic Practice Group
8th Symposium: Atlanta, GA
"What Doctors Need From Dieticians-How to develop Better Two Way Communication"
American Society for Parenteral and Enteral Nutrition (ASPEN)
"Gut Fuels: Glutamine and Peptides:
lecture presented at the 1993 national meeting
American Society for Parenteral and Enteral Nutrition (ASPEN)
"Geriatric Nutrition"
Round table discussion presented at the 1993 national meeting
Iowa Dietetics Association: 1993 Spring Meeting, Des Moines, Iowa
"Interacting with Physicians"
UC Irvine Medical Center, Orange, California
Nutrition Seminar:
"What the MD wants in your Nutrition Note"

- Alta Bates Medical Center, Berkeley, California
Nutrition Seminar:
"What the MD wants in your Nutrition Note"
- National Kidney Foundation: Update 1996; Houston, Texas (Feb 1996)
"Gastrointestinal Complications of ESRD"
- American Society for Parenteral and Enteral Nutrition (Sept 1997)
International Teleconference
"Enteral Access Devices"
- International Standardized Patient Educators Conference (Feb 2000)
Galveston, TX
Developing Scripts and OSCE checklist items
- Clerkship Directors in Internal Medicine Denver Colorado (Sept 1998)
Expanding the Challenges of the OSCE
Workshop presentation at the CDIM national meeting
- Clerkship Directors in Internal Medicine Toronto, Canada (Sept 1999)
Developing a Clinical Evaluation Tool
Workshop presentation at the CDIM national Meeting
- AAMC Group on Educational Affairs Washington DC (Nov 2001)
Small Group Discussion
Senior Competency Exams: What do they tell us
about our students and our curriculum?
- Generalists in Medical Education San Francisco, CA (Nov 2002)
Research on standardized Patients Where do we go from here?
Problem Solving session at annual meeting
- AAMC national meeting: Small Group Discussion San Francisco, Ca (Nov 2002)
Daily Dilemmas: Professionalism Issues of Medical Students
- Southern Group on Educational Affairs Key Biscayne, FL (April 2003)
Accept, Reject or Revise
Workshop on reviewing educational papers for publication
- Southern Group on Educational Affairs Key Biscayne, FL (April 2003)
Project to Presentation: Turning an educational project into a scholarly presentation
Research in Medical Education (RIME) Sponsored Workshop
- Association of Standardized Patient Educators Virginia Beach, VA (July 2003)
Research Using Standardized Patients: Which Questions do we Need to Ask?
- Association of Standardized Patient Educators Virginia Beach, VA (July 2003)
How to Write an Abstract
- Association of Standardized Patient Educators WEBINAR (Oct 2003)
Live telephone presentation with internet based slides
Research Using Standardized Patients
- Association of Standardized Patient Educators WEBINAR (Jan 2004)
Live telephone presentation with internet based slides
Creating an Abstract
- Association of Standardized Patient Educators New Orleans LA (Sept 2004)
How to Ask a Research Question
Workshop on Development of Educational Research
- Generalists in Medical Education Boston, MA (November 2004)
Can we Protect the Educational Process While Supporting the Faculty in Educational Research?
Problem Solving Session
- American Association of Medical Colleges Boston MA (November 2004)
Accept, Reject, Revise
Workshop on review of Medical Education Manuscript
- Southern Group on Educational Affairs Winston Salem, NC (April 2005)
Practical and Ethical Considerations of Research in Medical Education
Small group discussion
- Southern Group on Educational Affairs Winston Salem, NC (April 2005)
Does My Study Require IRB Approval?
Small group discussion
- University of Arkansas Little Rock, AR (May 2005)
Assessing and Addressing Professionalism in an Academic Medical Center

University of Arkansas	Little Rock, AR	(May 2005)
Evaluation of Professionalism: Not Just “Should We” but “How Do We?” Workshop for Scholars in Education Program		
Association of Standardized Patient Educators	Chicago IL	(Sept 2004)
Invited Plenary presentation Optimizing Your Abstracts and Presentations		
American Association of Medical Colleges	Washington DC	(November 2005)
Reporting the Use of Standardized Patients in Research: <i>Are Investigators Ensuring the Fidelity of the Method?</i>		
Association of Standardized Patient Educators	Tucson, Arizona	(August 2006)
Understanding and Explaining Physical Exam Maneuvers workshop		
Association of Standardized Patient Educators	Tucson, Arizona	(August 2006)
Invited Workshop The Peer Review Process		

Oral Abstract presentations (peer reviewed)

American Dietetics Association Annual Meeting	Boston, Mass	1997
Physician Perception of Body Habitus May Be Impacted by the Prevalence of Obesity.

Cancer Screening and Consumerism	
Texas Academy of Internal Medicine	(Nov 2005)
Women in Medicine – (breakfast roundtable facilitator)	
13 th Annual Essentials in Internal Medicine: Update on Principles and Practice Galveston, TX	(April 2006)
Simulation in Medical Education	

CME presentations

Critical Care Symposium, Beaumont, Texas	
"Nutrition in Critical Care"	
TDCJ Physician' Quarterly Meeting: Huntsville, Texas	
"Chronic Bowel Disease: diarrhea"	
San Jacinto Methodist Hospital, Baytown, Texas	
"Enteral and Parenteral Nutrition"	
Brazosport Memorial Hospital: Lake Jackson, Texas	
Continuing Medical Education Presentation "Parenteral Nutrition"	
Memorial Hospital Southeast, Houston, Texas	(Aug 1995)
Continuing Medical Education "Parenteral Nutrition" -	
Conroe Regional Medical Center Conroe, Texas	(Apr 1997)
"Obesity"	
Southeast Memorial Hospital: Grand Rounds Houston, Texas	(Nov 1997)
"Obesity"	
Detar Hospital Victoria, Texas	(Feb 1998)
"Obesity"	
St. Mary's Hospital Port Author, TX	(Jan 2000)
"Obesity Update"	

Grand Rounds

Medical Grand Rounds, St. Vincent Charity Hospital, Cleveland, Ohio
 "Enteral Alimentation"
 UTMB: Department of Internal Medicine
 "Dietary Fiber"
 UTMB Department of Family Medicine Grand Rounds
 "Nutrition in the Elderly Patient"
 UTMB: Department of Internal Medicine
 "Parenteral Nutrition in the Hospitalized Patient: The UTMB Experience"
 UTMB: Department of Internal Medicine
 "Eating disorders in Primary Care"
 UTMB Department of Family Medicine Grand Rounds (Dec 1995)
 "Obesity"
 UTMB Department of Internal Medicine (Jan 1998)
 "The Softer Science: Professionalism in Medical Education"
 UTMB Department of Internal Medicine (Feb 1998)
 Clinical Pathological Correlation: amyloidosis
 UTMB Department of Internal Medicine: (July 1998)
 Physician – Patient Boundaries
 UTMB: Department of Internal Medicine (Mar 1999)
 Professionalism: Challenges to Clinical Integrity
 UTMB: Department of Family Medicine (Mar 1999)
 Issues in Professionalism
 UTMB: Department of Obstetrics and Gynecology (Jan 2001)
 Eating Disorders
 UTMB: Department of Internal Medicine (Oct 2001)
 Internal Medicine and Professionalism:
 Past, Present and Future
 UTMB: The Department of Obstetrics and Gynecology (Mar 2002)
 The Rebirth of Professionalism in Medicine
 UTMB: Department of Internal Medicine (June 2005)
 An Updated Look at Assessing and Addressing Professionalism

Local Lectures/seminars

Medical Management conference, MetroHealth Medical Center Cleveland Ohio
 "Nutritional Assessment and Enteral Support"
 "Colorectal Cancer Screening"
 Mothers Against Drunk Driving (MADD) Cleveland, Ohio
 "The Physiologic Effects of Alcohol"
 Lecture given multiple times as part of a DWI education program
 UTMB: Dietician Workshop, Guest Lecturer
 "Interacting with Physicians: Making the most of your services as a
 clinical dietician"
 UTMB: CPC
 51 year old male with diarrhea and weight loss DX: carcinoid
 UTMB Division of Geriatrics
 "Nutrition in the Elderly"
 UTMB Department of Graduate Studies
 "Health and Disease in Old Age - Nutrition in the Elderly"
 UTMB: Clinical Pathological Correlation
 "Woman with jaundice and liver disease DX: Wilson's Disease"
 UTMB: Clinical Pathological Correlation
 "Young male with RLQ pain" Dx Crohn's.
 AMWA Conference on Women's Issues: Women as Patients & Physicians: (Spring 1996)
 Changing Views, Changing Roles; Galveston, Texas
 "Maternity and Medicine": Workshop
 UTMB Seminar Series: How to Break Bad News (Apr 1996)
 Panel Discussion on End of Life Issues

Research Seminar: UTMB Department of Medicine (Nov 1997)
 "Obesity: Clinical Studies"
 Faith in Medicine : UTMB Seminar Galveston, Texas (Apr 1998)
 Panel discussion on religious/ethical issues in medical practice
 UTMB Seminars in Healthcare (Dec 1998)
 Mistakes in Healthcare Delivery
 UTMB Seminars in Healthcare (Jan 2000)
 Talking to patients about difficult topics: Breaking Bad News
 UTMB: Department of Internal Medicine Research Conference (Mar 2000)
 Performance Predictors on a Clinical Assessment Examination
 UTMB Support Staff Professionals (Jan 2001)
 Taking charge of your Health in 2001
 UTMB Senior Services: Senior Night Out (Sept 2003)
 The Colonoscopy Exam : It May Save your Life
 UTMB: Managed Care Seminar for Housestaff (Nov 2003)
 Professionalism at the End of the Day
 UTMB: Obstetrics and Gynecology Residents and Students (Sept 2004)
 Professionalism in Medicine
 UTMB: Alliance in Internal Medicine (Oct 2004)
 A simple approach to LFTs
 UT- Health Science Center Houston, TX (Oct 2004)
 Tracking Student Professionalism in the School of Medicine
 UTMB: Managed Care Seminar for Housestaff (Nov 2004)
 Professionalism at the End of the Day
 UTMB School of Allied Health Sciences (Feb 2005)
 IDEAL workshop: Academic and Clinical Integrity
 UTMB: National Women's Health Week: (May 2005)
 Overcoming the Wonder woman Myth
 Presentation "Do You Know What you Just Ate?"
 And panelist on discussion regarding women's health
 UTMB: Faculty Educational Retreat (Sept 2005)
 What Pushes Your Button: Dialogues on Professional Education
 Workshop (repeated 3 times during retreat)
 UTMB: American Medical Women's Association (AMWA) student group(Nov 2005)
 Obesity – with a focus on Women
 UTMB: Clinical Research Scholars Program (Mar 2006)
 A Guide to Presentations
 UTMB/ Hotel Galvez Spa Retreat (May 2006)
 Colon Screening
