

# Curriculum vitae

*Revised as of July 2006*

## **Personal :**

Name **Jae-Hoon Song, MD, PhD.**

Nationality Korea

Place of birth Daegu, South Korea

Marital status Married, Eun-Hee Park, with three children

Address Professor of Medicine,  
Division of Infectious Diseases,  
Department of Medicine, Samsung Medical Center  
Sungkyunkwan University School of Medicine  
50 IL-won dong Kangnam-ku  
SEOUL 135-710 KOREA  
TEL : 82-2-3410-0320 (Home : 82-2-413-6764)  
FAX : 82-2-3410-0328  
E-mail : [jhsong@ansorp.org](mailto:jhsong@ansorp.org) or [jhsong@smc.samsung.co.kr](mailto:jhsong@smc.samsung.co.kr)

Current Position Senior Executive Director and Chief Strategy Officer (CSO)  
Samsung Medical Center

Professor of Medicine, Division of Infectious Diseases,  
Samsung Medical Center, Sungkyunkwan University School of  
Medicine

Chairman, Asian-Pacific Research Foundation for Infectious

Diseases (ARFID)  
Organizer, Asian Network for Surveillance of Resistance  
Pathogens (ANSORP)  
President, International Symposium on Antimicrobial Agents and  
Resistance (ISAAR)

**Education :**

Premedical school

1977. 3 - 1979. 2 College of Nature & Science, Seoul National University

Medical college

1979. 3 - 1983.2. College of Medicine, Seoul National University M.D.  
CUM LAUDE

Postgraduate school

1985. 3 - 1987.2 Seoul National University, Seoul, Korea M.S.

1990. 3 - 1992.2 Seoul National University, Seoul, Korea Ph.D.

*Dissertation : Detection of unique gene sequences of flagellar antigen of Salmonella  
typhi by polymerase chain reaction*

**Training :**

1983.3 - 1984.2 Internship, Seoul National University Hospital, Seoul, Korea

1984.3 - 1987.2 Residency, Department of Internal Medicine, Seoul National  
University Hospital, Seoul, Korea

1987.3 - 1990.4 Medical Officer, Korean army (Captain)

1990.5 - 1991.2 Clinical fellowship, Division of Infectious Diseases,  
Asan Medical Center, Seoul, Korea

1992.6 Visiting Clinician, Division of Infectious Diseases,  
Stanford University Hospital, Palo Alto, CA, USA

1993.5 Postgraduate course, Harvard Medical School

1993 - 1994 Visiting Scientist, Division of Infectious Diseases,  
Mayo Clinic, Rochester, MN, USA

1995.5 Visiting Clinician, Travel Medicine Clinic, University of

---

Washington, Seattle, WA, USA  
1997. 10 Visiting Clinician, University of Pittsburgh Medical Center,  
Pittsburgh, PA, USA

**Academic career :**

1991. 3 - 1993. 2 Instructor, Division of Infectious Diseases, Department of  
Internal Medicine, College of Medicine, University of Ulsan,  
Seoul, Korea  
1993. 3 - 1995. 2 Assistant Professor, Division of Infectious Diseases,  
Department of Internal Medicine, University of Ulsan, Seoul, Korea  
1995.3 - present Chief, Division of Infectious Diseases, Department of  
Medicine, Samsung Medical Center, Seoul, Korea  
1997.3 - 2002.3 Associate Professor, Sungkyunkwan University, School of  
Medicine, Seoul, Korea  
2002. 4 - present Professor, Sungkyunkwan University, School of Medicine  
2000. 5 Visiting Professor, Mayo Clinic and Mayo Foundation  
Rochester, MN, USA  
2002. 9 Visiting Professor, Mayo Clinic and Mayo Foundation  
2004. 5 Visiting Professor, Mayo Clinic and Mayo Foundation

**Current positions** (as of July 2006) :

***Domestic positions (Samsung Medical Center & Sungkyunkwan University) :***

Senior Executive Director & Chief Strategic Officer (CSO),  
Samsung Medical Center (2004. 12 – present)

Professor of Medicine, Division of Infectious Diseases, Department of Medicine,  
Samsung Medical Center, Sungkyunkwan University, School of Medicine  
(1995.3 – present)

Director, Infectious Disease Research Institute,  
Samsung Biomedical Research Institute (1995. 3 -- present)

***Domestic positions (Academic Societies) :***

- Director, Planning and Foreign Affairs, The Korean Society for Chemotherapy  
(1995. 5 -- present)
- Council member, The Korean Society for Chemotherapy (1995. 5 -- present)
- Council member, The Korean Society of Infectious Diseases (1998. 3 -- present )
- Council member, Korean Society for Nosocomial Infection Control  
(1996.3 – present)
- Director, Foreign Affairs Committee, The Korean Society of Infectious Diseases  
(2002. 1 — 2003. 12)
- Chair, Committee for Academic Affairs, The Korean Society of Nosocomial  
Infection Control (1995. 10 – 2000. 5)

***International positions :***

- Chairman, Asian-Pacific Research Foundation for Infectious Diseases (ARFID)  
(2000. 1 – present)
- Organizer, Asian Network for Surveillance of Resistant Pathogens (ANSORP)  
( 1996 . 1 -- present)
- President, International Symposium on Antimicrobial Agents and Resistance (ISAAR)  
(1997. 5 – present)
- Council Member, Western-Pacific Society of Chemotherapy (1997. 6 – present)
- Fellow, Royal Society of Tropical Medicine and Hygiene (1996. 3 – present)
- Member, Alexander Project Steering Committee (1997. 5 -- present)
- Member, Infectious Disease Society of America (1994. 3 – present)
- Member, Society for Healthcare Epidemiology of America (SHEA) (1995. 6 – present)
- Member, American Society for Microbiology (1991. 3 – present)
- Member, International Editorial Board, International Journal of Antimicrobial Agents  
(2003. 1 – present)

### **Certificates :**

Korean Medical Licensure ( No. 26400)  
Korean Board of Internal Medicine ( No. 2354)  
Korean Board of Infectious Diseases ( No.7-94-14)  
FMGEMS, USA

### **Honors and Awards :**

- Cum Laude, College of Medicine, Seoul National University (1983)
- Investigator of the Year (1993),  
Asan Institute for Life Science, College of Medicine, University of Ulsan
- Merit Award (1996), International Immunocompromised Host Society, Assisi, Italy
- Outstanding Publication Award (1996), The Korean Federation of Science and  
Technology Societies  
: " Short-cours doxycycline compared with conventional tetracycline therapy for  
scrub typhus : A multicenter randomized trial. *Clinical Infectious Diseases.*  
21 (3) : 506-510, 1995 "
- Student Travel Grant Award (1997. 8) : American Society for Microbiology  
"Prevalence of drug-resistant pneumococci in 11 Asian countries" -- 37th ICAAC,  
Toronto, Canada, September 1997
- Best Publication Award (2004. 11) : Korean Society of Infectious Diseases  
"Prevalence and change in antimicrobial resistance in *Streptococcus pneumoniae*  
in Asian countries" (Journal of Korean Society of Infectious Diseases)
- "Researcher of the Year" Award (2004) : Samsung Medical Center, Seoul, Korea  
(2004. 12)
- "Medical Scientist of the Year 2004, Korea" : Korean Association of Science  
Reporters (2004. 12)

**Professional Affiliations :**

Organizer, Asian Network for Surveillance of Resistant Pathogens (ANSORP) (1996.1- )  
Chairman, Asian-Pacific Research Foundation for Infectious Diseases (ARFID) (2000. 1 – )  
Member, Infectious Disease Society of America (1994.3 - )  
Member, American Society for Microbiology (1991.3 - )  
Member, American Society of Tropical Medicine & Hygiene (1995. 5 - )  
Fellow, Royal Society of Tropical Medicine & Hygiene (1996. 3 -- )  
Member, Society for Healthcare Epidemiology of America (1995. 6 - )  
Member, International Society of Travel Medicine (1995. 6 - )

Fellow, Korean Society of Infectious Diseases (1990. 3 - )  
Fellow, Korean Society for Chemotherapy (1990. 3 - )  
Fellow, Korean Society of Nosocomial Infection Control (1995. 9 - )  
Member, Korean Medical Association (1983.3 - )  
Member, Korean Society of Internal Medicine (1987. 2 - )  
Member, Korean Society of Clinical Pharmacology (1994. 10 - )

**Invited Lectures** (international meetings):

**2006. 8. 20. Antimicrobial drug resistance in Taiwan.**

Special invited lecture : Antimicrobial resistance in the Asia-Pacific ; ANSORP in 1996-2006 and future

**2005. 11.11-13. 10<sup>th</sup> Congress of the Asia Pacific Society of Respiriology. Guangzhou, China.**

Symposium : “*Clinical impact of pneumococcal resistance in pneumonia*”

**2005. 9. 3. 6th Annual Conference for Clinical Microbiology, Chinese Medical Association. Beijing, China.**

Plenary lecture : “*Antimicrobial resistance in major respiratory pathogens in the Asian region : epidemiology and clinical impact*”

**2005. 4. 27-29. 5<sup>th</sup> International Symposium on Antimicrobial Agents and Resistance (ISAAR), Seoul, Korea**

- 1) Keynote lecture : “*Asian perspective on the control of antimicrobial resistance*” (April 27)
- 2) Scientific session : “*Global epidemiology of pneumococcal resistance*” (April 28)

**2004. 12. 1-5. 9<sup>th</sup> Western Pacific Congress of Clinical Microbiology and Infectious Disease (WPCCID), Bangkok, Thailand**

- 1) Wyeth Satellite Symposium (Dec. 2, 2004)  
“*Treating serious infections in the hospital – strategies for effective therapy in an era of increasing resistance*” - “*Strategies to control resistance in the hospital setting – beware of collateral damage*”
- 2) Plenary lecture (Dec. 2, 2004)  
“*Antimicrobial resistance surveillance in Asia : strategic plan*”
- 3) GSK Satellite Symposium (Dec. 3, 2004)  
“*Emerging hot spots of resistance : the impact of treatment strategies for bacterial infections*”
- 4) Scientific session (Dec. 4, 2004)  
“*Interventions to promote appropriate use of antibiotics : Korean experience*”

**2004. 11. 26-27. International Symposium on Respiratory Infections, Shanghai, China (Rui Jin Hospital)**

*Special invited lecture “Clinical implication of pneumococcal resistance in the treatment of pneumonia”*

**2004. 9. 23-28 9<sup>th</sup> Chinese National Conference of Pediatric Pulmonology, Xiamen, China**

*Special invited lecture : “Pneumococcal resistance in Asia : data from ANSORP studies”*

**2004. 8. 7 – 8 Seminar on antimicrobial resistance, organized by Infectious Disease Society of the Republic of China, Taipei, Taiwan**

*Special lecture : “Clinical implications of resistance in S. pneumoniae”*

**2004. 6. 13. Western Pacific Association of Critical Care Medicine (WPACCM) meeting, Seoul, Korea**

*Symposium : “Emergence of antibiotic-resistant organisms in the intensive care units – recent trend and clinical impact”*

**2004. 5. 8. The American Heart Association (AHA) Committee meeting for Prophylaxis of infective endocarditis, Chicago, USA**

*“Current status of prophylaxis of endocarditis in Asia”*

**2004. 5. 6. Special Invited lecture, Mayo Clinic, Rochester, MN**

*“Treatment of community-acquired pneumonia in the era of antibiotic resistance”*

**2004. 3. 4-7. 11<sup>th</sup> International Congress on Infectious Diseases (ICID), Cancun, Mexico**

*Symposium : Resistance surveillance – local hotspots, global strategies*

*“Antimicrobial resistance in Asia”*

**2003. 7. 16-18. 4th International Symposium on Antimicrobial Agents and Resistance (ISAAR). Seoul, Korea**

*Plenary keynote lectures : Current challenges of antimicrobial treatment*

*“Global overview of antimicrobial resistance : historical perspectives”*

*Symposium : Pneumococcal resistance*

*“Pneumococcal resistance to beta-lactams and macrolides”*

*Bayer Satellite Symposium : “Clinical impact of pneumococcal resistance in the treatment of pneumococcal pneumonia”*

**2002. 12. 1-5. 8th Western Pacific congress of chemotherapy and infectious diseases.**

**Perth, Australia**

Symposium : Resistance – a major problem for the Western-Pacific

*“Pneumococcal resistance in the Asian region – ANSORP studies”*

Symposium : Staphylococcal resistance : *“Clinical significance of VRSA”*

**2002. 11. 1st Asian Congress of Pediatric Infectious Diseases, Pattaya, Thailand**

Symposium : Pneumococcal resistance

*“Pneumococcal resistance in the Asian-Pacific region”*

**2002. 9. 42<sup>nd</sup> ICAAC (Interscience Conference on Antimicrobial Agents & Chemotherapy). San Diego, USA**

Symposium : Growing resistance in the hospital setting & strategies to help control or prevent it.

*“Overview of current resistance patterns”*

**2002. 9. 19-24 Special Invited Lecture, Infectious Disease Conference**

**Division of Infectious Diseases, Mayo Clinic, Rochester, MN, USA**

: *“Pneumococcal resistance in the 21<sup>st</sup> century”*

*“ Clinical impact of pneumococcal resistance”*

**2002. 3. 10<sup>th</sup> International Congress of Infectious Diseases (ICID), Singapore**

Symposium : Do your antimicrobial meet your needs ?

*“Emergence of resistance among respiratory pathogens”* (invited speaker)

Symposium : Bacterial eradication – role of antimicrobial assessment

*“ Goal of antimicrobial therapy”* (chair & invited speaker)

Symposium : Strategies to Help Control the Growing Global Threat of Antibiotic Resistance in Hospital-Acquired Infections

*“The Growing Problem of Antibiotic Resistance in the Hospital Setting in the Asia Pacific”* (invited speaker)

**2001. 9. 11. 23rd Annual Meeting of the International Congress of Pediatrics, Beijing, China**

Special lecture : *“Impact and prevalence of pneumococcal resistance”*

**2001. 4.12-13. 3rd International Symposium on Antimicrobial Agents and Resistance (ISAAR), Seoul, Korea, April 12-13, 2001**

*“ARFID and ANSORP : envisioning the future against drug resistance”*

*“Global crisis of pneumococcal resistance : alarm calls from the East”*

**2001. 3. 30. 5th Annual Scientific Meeting of the Hong Kong Society for Infectious Diseases, Westin Hotel, Hong Kong**

*“ Clinical impact of pneumococcal resistance : Asian perspectives”*

**2000. 12. 11 Symposium at the 7<sup>th</sup> Western Pacific Congress of Chemotherapy and Infectious Diseases (WPCCID), Hong Kong**

*“Global crisis of pneumococcal resistance : alarm calls from the East”*

**2000. 11. 3 Special invited lecture**

**26<sup>th</sup> Annual Scientific Meeting of the Infectious Disease Association of Thailand, Siam City Hotel, Bangkok, Thailand**

*“Asian perspectives on pneumococcal resistance based on the ANSORP projects”*

**2000. 5. 26 Special Invited Lecture, Infectious Disease Conference**

**Division of Infectious Diseases, Mayo Clinic, Rochester, MN, USA**

*: “Treatment of pneumococcal meningitis cause by antibiotic-resistant strains : new options for an old disease”*

**2000. 5. 23. Special Invited Lecture, “Infection & Immunity Club”**

**Division of Infectious Diseases, Mayo Clinic, Rochester, MN, USA**

*: “Global crisis of pneumococcal resistance : alarm calls from the East”*

**2000. 3. 24 Special Invited Lecture**

**The 4<sup>th</sup> National Congress of the Indonesian Society for Clinical Microbiology  
Hotel Graha Santika, Semarang, Indonesia**

: "*Pneumococcal resistance in the Asian region*"

: "*Pharmacodynamic approach to predict the clinical efficacy of antimicrobial agents*"

**1999. 6. 10-11. 47<sup>th</sup> General Congress of Japan Society of Chemotherapy**

**: Keio Plaza Hotel, Tokyo, Japan**

- "*Pneumococcal Resistance in the Asian Region*"

**1999. 5. 8. 2<sup>nd</sup> International Symposium on Antimicrobial Resistance, Seoul, Korea**

"*Global spread of resistant pneumococcal clones ; nowhere to hide*"

**1998. 12. 1 WPCCID (Western Pacific Congress of Chemotherapy and Infectious Diseases), Kuala Lumpur, Malaysia**

"*Pneumococcal resistance in the Asian region*" (Symposium)

**1998. 7. 4 1998 Philippine Society of Infectious Diseases and Microbiology- Annual Meeting, Davao, Philippines**

"*Pneumococcal resistance in Asia – changing clinical spectrum*" (Special lecture)

**1998. 2. 21-24. Workshop on the "Clinical management of respiratory infections & New directions in pathogenic resistance", Phuket, Thailand**

"*Pneumococcal resistance in Asian region*"

**1997. 6. 20<sup>th</sup> ICC (International Congress of Chemotherapy) , Sydney, Australia**

"*Pneumococcal resistance in Asia*" (Symposium)

**1997. 4 The 1<sup>st</sup> International Symposium on Antimicrobial Resistance, Seoul, Korea**

"*Asian epidemiology of pneumococcal resistance : data from the ANSORP study*" (Symposium)

**1994. 3. Infection & Immunity Club, Division of Infectious Diseases, Mayo Clinic, Rochester, MN, USA**

: "Diagnosis of typhoid fever ; from Widal to PCR"

**Bibliography** : (\* corresponding author)
