

CURRICULUM VITAE

Date prepared: 6/06

NAME: Elsa W. Reich
ADDRESS: 4 Cummings Circle, West Orange, New Jersey 07052
PLACE OF BIRTH: New York, New York

EDUCATION:

1952-55		Radcliffe College
1956	B.S.	University of Chicago
1974	M.S.	Sarah Lawrence College (Human Genetics/Genetic Counseling)

CERTIFICATION:

1982		American Board of Medical Genetics –Genetic Counseling
1991		AIDS Counselor, New York State
1993		American Board of Genetic Counseling

ACADEMIC APPOINTMENTS:

1974-1980		Genetic Counselor, Management Specialist, Division of Genetics, New York University School of Medicine
1978-present		Adjunct Faculty, Sarah Lawrence College Human Genetics Program
1980-1983		Instructor of Pediatrics, Division of Genetics New York University School of Medicine
1983-1986		Clinical Instructor of Pediatrics, Division of Genetics New York University School of Medicine
1986-1998		Clinical Assistant Professor of Pediatrics Human Genetics Program, Department of Pediatrics, New York University School of Medicine
1998-2003		Clinical Associate Professor of Pediatrics Human Genetics Program, Department of Pediatrics New York University School of Medicine
2003-present		Professor of Pediatrics (Clinical) Human Genetics Program, Department of Pediatrics New York University School of Medicine

HOSPITAL APPOINTMENTS:

None

OTHER PROFESSIONAL POSITIONS:

1971-72 Cytogenetic Technician, Research Assistant, Letchworth Village, Haverstraw, NY
1974 Sickle Cell Counselor, St. Luke's Hospital, New York, New York

AWARDS AND HONORS:

1973 Selection for research project based on academic excellence,
Sarah Lawrence College, Bronxville, New York

Reich, Elsa
Page 2

1991 Kaplun "Art of Listening Award", Alliance of Genetic Support Groups
1995 Regional Leadership Award, Region 2, National Society of Genetic Counselors
1999 Certificate of Appreciation, Cancer Care
2002 Natalie Weissberger Paul National Achievement Award, National Society of Genetic Counselors

MAJOR COMMITTEE ASSIGNMENTS:

National and Regional

1974-1983 Advisory committees, Genetic Counseling and Records and Statistics
1974-1984 Prenatal Diagnosis Laboratory of New York
1977- Genetics Task Force of New York
1978- Nominating Committee, Genetics Task Force of New York
1979-1982 Board of Directors, Genetics Task Force of New York
1981-1982 Secretary, Genetics Task Force of New York
1984-1986 Education Committee, Genetics Task Force of New York
1989 Treacher Collins Foundation, Medical Advisory Board
1989-2002 Genetics Network of the Empire State (GENES)
1990-1991 Ad hoc Committee to Investigate Licensure for Genetic Counselors, Genetics Task Force of New York
1990-1991 Committee to Investigate Licensure for Genetic Counselors, Genetics Network of the Empire State
1991-1995 Prenatal Diagnosis Committee, Genetics Network of the Empire State
1991-1995 Teratogen Committee, Genetics Network of the Empire State
1996-1999 Chair, Committee to Investigate Licensure for Genetic Counselors, Genetics Task Force of New York
1996-1999 Chair, Legislative Committee, Genetics Task Force of New York
1999 Participant, hearing on licensure for genetic counselors, New York State Task Force on Life and the Law
2002- Sharsheret, Medical Advisory Board

New York University School of Medicine

1996- Dean's Ethics Colloquium
2001- Planning/Advisory Board, Comprehensive Breast Cancer Center,
Advisory Committee, High Risk Prevention Clinic for Breast and Ovarian Cancer

2003- High Risk Breast Cancer Committee, NYU Cancer Institute
2004-2005 Executive Committee Breast Center, NYU Cancer Institute

MEMBERSHIPS, OFFICES AND COMMITTEE ASSIGNMENTS IN PROFESSIONAL SOCIETIES:

1974- American Society of Human Genetics
1974-1985 Hastings Institute of Life Sciences
1978- National Society of Genetic Counselors
1978-1988 American Cleft Palate Association
1978-1995 Society of Craniofacial Genetics
1979-1981 Interprofessional Program Committee, American Cleft Palate Association
1980-2000 American Association for the Advancement of Science
1985-1990 New York Academy of Medicine
1987-1989 Board of Directors, National Society of Genetic Counselors
1987-1990 Professional Issues Committee, Chair 1987-1989, National Society of Genetic

Reich, Elsa
Page 3

Counselors
1989-1990 Program Committee, National Society of Genetic Counselors
1993- Nominating committee, American Board of Genetic Counseling
1993- American College of Medical Genetics

1993-1997 Genetic Services Committee, National Society of Genetic Counselors

1994 Committee on Licensure, National Society of Genetic Counselors
1994-1997 Co-Chair, Sub-Committee on Confidentiality, National Society of Genetic Counselors
1996-present Cancer Special Interest Group, National Society of Genetic Counselors
1997-2000 Accreditation Site Visit Team Leader, American Board of Genetic Counseling
2000-2001 Nominating Committee, National Society of Genetic Counselors
2001-2005 Board of Directors, Accreditation Committee, American Board of Genetic Counseling
2006 Nominating Committee, American Board of Genetic Counseling

MAJOR RESEARCH INTERESTS:

1. The Genetics of Cancer
2. The Genetics of Craniofacial Disorders

PRINCIPAL CLINICAL AND HOSPITAL SERVICE RESPONSIBILITIES:

1974- Provider of genetic services/counseling to in-patients and out-patients in obstetrics, medicine, oncology, surgery, rehabilitation, psychiatry, neurology, pediatrics, otolaryngology, hematology, New York University Medical Center
1974-2000 Consultant in genetics, Jerry Lewis Muscular Dystrophy Clinic, New York University Medical Center
1975- Consultant in genetics, Institute of Reconstructive Plastic Surgery, New York University Medical Center
1993-2001 Director, Genetic Counseling Referral Center for Familial Dysautonomia, New York University Medical Center
2001- Genetic counselor, high risk prevention clinic for breast and ovarian cancer

TEACHING AND LECTURING EXPERIENCE:

New York University School of Medicine and Outside

1974- Clinical teaching of residents, medical students
1974-present Supervisor, clinical internship, graduate students in genetic counseling (>150)
1974- Speaker, teaching conferences (attendings, residents and students) in Departments of Pediatrics, Obstetrics and Gynecology, Neurology, Otolaryngology, Psychiatry, Rehabilitation, Neurology, Surgery, Oncology, Human Genetics
1974-1990 Leader, clinical conference, Division of Genetics
1975- Speaker for multiple lay and support groups including: Dysautonomia Foundation, Neuromuscular Disease Support Group, Cancer Care, Rockland Association of Retarded Citizens, Larchmont Temple, Pediatric Cardiology Support Group, Association of Retarded Citizens, New York Chapter, Putnam County Chapter Association for Retarded Children Inc., UJA- Federation
1976 Panel member, New York University School of Medicine, "Concepts of Medical Genetics for Practitioners"
1977 Speaker, "Genetic Principles & Counseling", Post-graduate Course, New York University School of Medicine

Reich, Elsa
Page 4

1977, 1990, 1999 Speaker, Dean's Ethics Committee
1978 Speaker, Annual Genetics Meeting, New York State Department of Health
1978-2006 Lecturer and conference leader, contributor to teaching modules in "Human Genetics" and "Molecular Genetics and Biochemistry" courses, first and second year medical students' course
1979-2006 Course director, developer and instructor, "Delivery of Genetic Services", Sarah Lawrence College
1979 Speaker, Biology Club and Sigma Xi Club, Montclair State College
1980 Supervisor, clinical internship for nursing student, New York University School of Nursing
1980 Speaker, Genetic Rounds, North Shore Hospital Genetics Program
1981 Speaker, Maxillofacial Seminar Program, New York University Dental Center,
1982 Speaker, "Community Health" course, Montclair State College
1982 Speaker, "The Fifth Annual Workshop on Surgical Techniques in Cleft Lip and Palate" Department of Plastic Surgery, New York University Medical Center/Manhattan Eye, Ear & Throat Hospital/Institute of Reconstructive Plastic Surgery
1982-1997 Member and speaker, University Seminar in Genetic Epidemiology, Columbia University
1984 Speaker, "Current Issues in Genetic Counseling for Prenatal Diagnosis", Long Island Jewish-Hillside Medical Center,
1984 Discussant, "Workshop on Genetics & Craniofacial Anomalies", Division of Genetics
1985 Invited participant, workshop on genetic counseling, Sarah Lawrence College
1985 Speaker, Region 3 regional meeting, National Society of Genetic Counselors
1986 Workshop leader, John Bowne High School, March of Dimes Birth Defects Foundation
1987 Speaker, "Families Dealing with Perinatal Loss", in-service for nurses
1987 Speaker, Bronx High School of Science
1987-2002 Speaker, Grand Rounds in Departments of Pediatrics, Obstetrics and Gynecology, Surgery, Division of Gastroenterology, New York University School of Medicine
1988 Speaker, Introduction to Psychology, New York University,
1989 Panel member, curbside consults, Fragile X conference, Wadsworth Center/GENES, Albany
1989-1998 Lecturer, Advanced Education Program in Prosthodontics, New York University College of Dentistry
1990 Speaker, undergraduate biology course Baruch College
1990 Speaker, "Contemporary Counseling Issues in Clinical Genetics" Mid-Atlantic Regional Genetics Network/National Society of Genetic Counselors
1990-2006 Panel member, evaluator, oral exams, Graduate Program in Genetic Counseling, Sarah Lawrence College

1991 Presenter, "Four new patterns of malformations associated with nasomaxillary hypoplasia" March of Dimes-Birth Defects Symposium

1991 Presenter, "Micrognathia associated with minor ear anomalies" 8th International Congress of Human Genetics, Washington, DC

1993, 1997 Lecturer, "Current Topics in Clinical Ethics," New York University School of Medicine

1995 Lecturer, Postgraduate Course, "Genetics for the Primary Care Physician, Genetics of Common Disease" New York University School of Medicine

1995 Speaker, "Update on Carcinoma of the Breast", New York Downtown Hospital

1996, 1997 Lecturer, "Living With Cancer", sponsored by Calvary Hospital, Memorial Sloan Kettering/others

1997 Lecturer, Comprehensive Breast Cancer Center, educational series, New York University Medical Center

1997 Lecturer, Treacher Collins Symposium, Institute for Reconstructive Plastic Surgery, New York University School of Medicine

Reich, Elsa
Page 5

1997 Lecturer, seminar on genetics for faculty and students, Baruch College

1997 Workshop co-leader and speaker, "Issues of Confidentiality" Annual Education Conference, National Society of Genetic Counselors

1999 Lecturer, "Genetics of Cancer," New York University Downtown Hospital

1999 Presenter, "A Patient with an Unusual Mitochondrial Disorder," Genetics Task Force of New York

1997-2001 Lecturer, Cancer Care, New York, New York

1999-2006 Lecturer, "Pediatric Genetic Counseling" Mt. Sinai School of Medicine, Graduate Program in Genetic Counseling, New York, New York

2000 Speaker, "Advances in the Treatment and Diagnosis of Breast Cancer", New York University Medical Center

2000 Lecturer, American Cancer Society, New York, New York

2000 Speaker, "The Search for the Gene Causing Familial Dysautonomia", Genetics Task Force of New York

2000 Advisory committee and panel moderator, American Jewish Congress, "Hereditary breast cancer among Jewish women," New York, New York

2000 Lecturer, "The Genetics of Cancer", Ob-Gyn residents, New York University Downtown Hospital

2000-01 Curriculum development and workshop co-leader, Josiah Macy grant to New York University School of Medicine to teach communication skills to medical students as applied to genetic medicine

2001 Speaker, Alliance of Genetic Support Groups, Washington DC

2001 Discussant, New York University School of Medicine, Women's League of Conservative Judaism, Women's Health Day

2001 Lecturer, "Genetic Pre-disposition for Breast Cancer" Kaplan Comprehensive Cancer Center, New York University School of Medicine

2001 Speaker, "Genetic Testing and Screening in the Age of Genomic Medicine", a symposium co-sponsored by Master Scholars Program, New York University School of Medicine and by New York Task Force on Life and the Law

2001 Speaker, "Genetics of Hearing Loss," League for the Hard of Hearing, New York, New York

2001 Panel member, "Evidence-based New Treatments for Breast Cancer", Comprehensive Breast Cancer Center, New York University Medical Center

2002 Speaker, "Genetic Testing: Ethical Issues," LaGuardia Community College

2002 Speaker and panel member, "Genetic counseling issues in hereditary breast cancer" Hadassah Nurses, New York, New York

2002 Planning committee, NY Statewide Genetics Conference

2003 Speaker, UJA-Federation Task Force on Legislative Issues, New York, New York

- 2003 Speaker, "Issues Related to Genetic Counseling" at The Lynn Cohen Foundation Symposium at University of Southern California, Los Angeles, CA
- 2003 Speaker and panel member, "Advances and Opportunities in Genetic Testing And Screening at a conference, "Bioethical Issues Raised by the Mapping of the Human Genome ", Albany, New York
- 2003 Speaker and panel member, "Facial Difference: What Do We Know?" at a conference, "Facial Difference: Beyond the Medical Issues", National Foundation for Facial Reconstruction, New York University School of Medicine, New York, New York
- 2003 Presented testimony to The Council of the City of New York, "Campaign to Save the Institute for Basic Research and the Bronx Children and Adult Psychiatric Centers", New York, New York

Reich, Elsa
Page 6

- 2003 Speaker, "Why is This Gene Different from All Other Genes? Testing for Genetic Diseases in the Jewish Community: Medical, Religious, Legal and Personal Issues," Sponsored by the David Berg Foundation, the Shaykin Family Foundation, and the Foundation for Jewish Genetic Diseases. The Center for the Study of Science and Religion, Columbia University, New York, New York
- 2003 Speaker, "The Genetic Connection" at a conference "An Ovarian Cancer Education and Awareness Forum" sponsored by the NYU Cancer Institute and the Division of Gynecologic Oncology, New York University Medical Center, New York, New York
- 2003 Lecturer, "An Introduction to the Genetics of Cancer", oncology fellows, Division of Oncology, Department of Medicine, New York University School of Medicine
- 2003 Lecturer, "The Genetics of Hearing Loss", ENT residents, Department of Otolaryngology, New York University School of Medicine
- 2004 "The Elements and Issues of the Genetics Evaluation: case studies, primary care residents in the Department of Medicine, New York University School of Medicine
- 2004 "What You Might Want to Know About the Genetics of Breast and Ovarian Cancer", Lynne Cohen Foundation Symposium, New York University School of Medicine
- 2004 "An Introduction to the Genetic Basis of Cancer", medical residents, Woodhull Hospital Department of Medicine, Brooklyn, New York
- 2004 "An Introduction to the Genetics of Breast and Ovarian Cancer" presented to the pharmacy graduate students, Long Island College, interning at New York University School of Medicine
- 2004, 2005 "An Introduction to the Genetic Basis of Cancer", oncology residents, Department of Medicine, New York University School of Medicine
- 2004, 2006 Lecturer, "Oral Clefts: syndromic and non-syndromic", graduate students in speech pathology, New York University
- 2004 Lecturer, "The Psychosocial Implications and Benefits of Genetic Counseling for Hearing Loss", at a conference, "Genetics and Hearing Loss", Brooklyn College, Brooklyn, New York
- 2004 Lecturer, "The Genetics of Hearing Loss", otolaryngology residents, New York University School of Medicine
- 2005 Lecturer, "The Genetics of Cancer", pathology residents, New York University School of Medicine
- 2005 Lecturer, Grand Rounds, Department of Medicine, Woodhull Hospital, Brooklyn, New York
- 2005 Lecturer, "Craniofacial Malformations", pediatrics residents, New York University School of Medicine

- 2005 Panel member, "The Importance of the Genetics Evaluation", Conference on Children Born with Craniofacial Malformations, Institute for Reconstructive Plastic Surgery/Foundation for Facial Reconstruction/CDC, New York University Medical Center
- 2005 Lecturer, "Women's Health Issues", internal medicine residents, New York University School of Medicine
- 2005 Lecturer, "Familial Dysautonomia: Where We've Been and Where We're Going" Annual Education Conference, National Society of Genetic Counselors, Los Angeles California
- 2005 Workshop leader, Interviewing for that First Genetic Counseling Job-Keep it Cool, Calm and Impressive, Annual Education Conference, National Society of Genetic Counselors, Los Angeles, California
- 2005 Panel Member, "Children with Craniofacial Malformations" co-sponsored by CDC and the Foundation for Facial Reconstruction
- 2006 Lecturer, "The Genetics of Hearing Loss", audiologists, The League for the Hard of Hearing, New York
- 2006 Lecturer, "The Importance of the Family History" Lynne Cohen Symposium for Prevention of Breast and Ovarian Cancer, New York University School of Medicine

Reich, Elsa
Page 7

- 2006 Presenter, Multiple Sclerosis Association, "The Genetics of Multiple Sclerosis" New York
- 2006 Panel member, "Young Women Facing Breast Cancer: What We Need To Know Now." Sharsharet, Teaneck, New Jersey
- 2006 Lecturer, "Genetics for the Internist" Grand Rounds, Woodhull Hospital, Brooklyn, New York

GRANTS

- 1996-2001 NCI Grant #CA08748-31. Inherited predisposition at BRCA1, environmental exposures, and breast cancer among Jewish women, \$10,000, co-investigator

MISCELLANEOUS

- 1986 Reviewer, "Tests for Human Genetic Disorders", Office of Technology Assessment, Washington DC
- 1990 Reviewer, American Journal of Medical Genetics
- 1999 Reviewer, Journal of Genetic Counseling
- 2001 Reviewer, Genetics in Medicine
- 2002 Reviewer, Community Genetics
- 2003 Reviewer of abstracts for annual meeting of American Society of Human Genetics
- 2005 Guest Associate Editor, American Journal Medical Genetics
- 2005 Invited reviewer as part of tenure process, Sarah Lawrence College
